Prepare project work on strategies to achieve sustainable development adopted for Indian economic development.
Prepare chapter Economics 8 to 11 and Statistic Chapter –Correlation, Index number, standard deviation

Roll no 20-29

Prepare project work on Global environmental issues .
Prepare chapter Economics 8 to 11 and Statistic Chapter –Correlation, Index number, standard deviation

Roll no 30-39

Prepare project work on emerging challenges in the health infrastructure.
Prepare chapter Economics 8 to 11 and Statistic Chapter –Correlation, Index number, standard deviation

MATHS

Do all the question given in class on conic section,limits and derivative,straight line and statistics

PHYSICS

Learn all theory work and do all given school questions.

CHEMISTRY

Learn all theory

Revise book(Part II)

BIOLOGY

Complete practical file and learn all the chapters for exams

Computer sc.

Write 20 programs in a copy

FINE ARTS

Learn all theory work and complete 10 sheets of still life and landscape

HOME SC.

Make different weavers with hand made sheets.1.Plain 2.Twill 3. Satin 4.Satern 5. Basket 6. Rib

PSYCHOLOGY

Case study on self actualization.

Prepare a matter on education system for G.D.

PHYSICAL EDU.

Prepare project file.
