

JASWANT MODERN SR. SEC. SCHOOLCLASS VI HISTORY/CIVICS Worksheet SET-A

Q1 Why do historians use both archaeological and literary sources to study the past? Give two reasons:

Q2 How did the invention of the wheel change the lives of early humans?

Q3 Interview your parents about your childhood:

a) What was your favorite toy or activity when you were three years old?

b) Is there a photograph or object that helps you remember that time?

Q4 List three historical sites (e.g., forts, temples) located in North India. Paste pictures in your scrapbook and write three lines about their history.

Q5 Research and paste pictures of 'Numismatists' (people who study coins) and explain how coins act as a source of history.

Q6 Look at the 'Ashoka Chakra' on our National Flag. Write a few lines about what it represents.

Q7 Create a timeline showing the different stages of the Stone Age (Paleolithic, Mesolithic, Neolithic).

Q8 If you were to create a 'Time Capsule' for children 100 years from now, what three items would you put in it? Explain why.

Q9 Discuss with your grandparents a tradition that they followed which is no longer common today.

Q10 Ancestry Project:

Create a family tree for three generations. Use the table format below for your details.

Relation	Full Name	Native Village/City	Mother Tongue	Source of Info
Grandparents (paternal)				
Grandparents (maternal)				
Great-grandparents				

Q11 Observe your locality. Do you see diversity in the types of houses (apartments, independent houses)? List them.

Q12 List five ways your school can save electricity in everyday classes.

Q13 Explain the term 'Nuclear Family' and list two advantages of living in one.

Q14 How can children help in keeping their neighborhood clean?

Q15 Spend an hour helping your parents with household chores. Write a short paragraph about what you did.
