a. BMI b. sustainable development c. development d. growth e. per capita income f. HDI

3. Prepare project on : Consumer Protection Right ATLEAST 10 PAGES IN PROJECT FILE .

4. ANSWER THE FOLLOWING QUESTIONS:

- A. What are some of the public facilities in India?
- B. What are the advantages of sustainable development?
- C. What is the main criterion used by the World Bank in classifying different countries? What are the limitations of this criterion, if any?
- D. In what respects is the criterion used by the UNDP for measuring development different from the one used by the World Bank?
- E. Why do we use averages? Are there any limitations to their use? Illustrate with your own examples related to the development.
- F. Kerala, with lower per capita income, has a better human development ranking than Punjab. Hence, per capita income is not a useful criterion at all and should not be used to compare states. Do you agree? Discuss.
- G. Why the issue of sustainability is important for development?
- H. "The Earth has enough resources to meet the need of all but not enough to satisfy the greed of even one person." How is this statement relevant to the discussion of development? Discuss.
