

## Jaswant Modern Sr. Sec. School Class 5 English Winter Worksheet (2023 -24) SET-A

Q1. Read the given passage and answer the following questions:

Deserts are the most difficult places to survive in, because they are the driest places on the earth with very high temperature and no water. Some deserts are rocky, dotted with small bushes while some have colourful flowers too. There are a variety of snakes found in the desert. Some are poisonous while some are harmless. The camel which is called the 'ship of the desert' can survive without water for as long as ten months. The camels have a hump on their back which is full of fat and helps them to survive without food for long periods.
